

FOUNDATION FOR THE ADVANCEMENT OF
MARITIME EDUCATION

F.A.M.E.

Mission statement:

"To increase the pool of high quality candidates for entry level positions in the maritime industry in order to increase retention and reduce the shortage of qualified mariners.

To provide awareness and opportunities to youth who may not normally be exposed to the high paying and rewarding jobs in the maritime industry."

F.A.M.E.

New Orleans Maritime
High School

*A significant step towards
rectifying a mariner shortage*

F.A.M.E.

What is the maritime industry?

A brief introduction...

F.A.M.E.

Inland or “brown water” industry

F.A.M.E.

Offshore industry

F.A.M.E.

Deep Draft “blue water” industry

F.A.M.E.

Schools to Career
initiative of
the United Way

Formed a Steering Committee:

supply boat companies
towboat companies
educators, UNO, Texas A&M
admiralty attorneys
USCG, MARAD, REC, CGAUX
River pilots
barge lines
mariners associations

F.A.M.E.

Mariner Shortage

There is a significant shortage of qualified mariners and the shortage is expected to get worse in the coming years.

Owners and operators need qualified mariners to operate their vessels.

Post – Katrina New Orleans

If not here and now, then where and when?

- Provide a source of qualified employees to the industry
- Provide a unique opportunity for young people in New Orleans and the surrounding area

New Orleans Maritime High School

It's good for the industry.

It's good for the city.

It's good for the region.

It's good for the next generation.

Please help us make this a reality.

F.A.M.E.

**On behalf of the
Board of Directors,**

Thank you.
